MAY 2010

THE NEW PLAQUE

* PRESIDENT'S MESSAGE *

Hello everybody,

Somebody told me it was the beginning of May. Unbelievable how fast time flies by, especially when you have deadlines. I guess this is the crunch month, we will see how everything unfolds in the weeks to come. Most everything sounds like it is going pretty good as far as the contest goes. Still would like to see some more volunteers. So bring your right arms with you to the meeting this week, so you can raise them when we ask for more volunteers! This last month for me has been extremely busy. Seems like everyone needs a plumber! Had a few good surf sessions this last month. Hopefully many more to come this month. See you all at the meeting.

Mahalo,

Scotty (Email kristinorahood@sbcglobal.net)
