Fun Summertime South Swells

message from the President

Fellow Members:

September is nomination month for club officers. Please attend the meeting and volunteer to take/run for an office. Your help and experience is needed. I brought it to the Membership's attention last month.

Rene's Sports Bar in Rosarito Beach Baja would like a surf board signed by our members with club stickers to display in the his Sports Bar. **Rene** would prefer a Santa Cruz shaped surfboard and it does not have to be new. Just something 9 feet or longer - condition is not a factor. The most important things are that the board be from Santa Cruz, our signatures on the board, and club stickers. Let's spread the word that the SCLU Rules and leave our club mark on northern Baja. So we are looking for a person to donate a board. Again, it can be a beater! We can all be famous!

Many Coalition events are coming up this Fall. See **Carl Olson** for details about the Big Chill Out!, Swami's Cardiff Reef Event and Wind n Sea's Thanksgiving day event. Please plan to attend the next meeting at El Palomar. I'll be there and I have to run off the football field and fight traffic for 50 minutes. But as I have said always "There is no one I would rather be with than YOU!" So be at the meeting.

Keep Surfing, **Pete Noble**

~~~~~ CLUB NEWS ~~~~~

Apologies for the temporary lapse in newsletters... due to tight funds after the Memorial Day Contest, we had to cut back on certain things. We still want to try out an e-newsletter at some point, however I really need people to send their email addresses to me at jenncoco@hotmail.com in order for this to be successful! For the next couple months, check the website for the newest newsletter.

The California Surf Museum (CSM) Board of Directors and staff voted to refit and upgrade a building in Oceanside that will be the new home for the California Surf Museum! The CSM serves as an international resource center on the lifestyle sport of surfing through capturing, preserving and chronicling its art, culture and heritage for the education and enjoyment of future generations. The picture to the left shows a sketch of what the museum will look like.

~~~~~ THE DINOSAUR DEN ~~~~~

**Question of the month by Kim Stoner**

This month's photo has a short story to go with it, told by Larry "Bones" Dunham: On the right behind camera is "Scummy"; behind him also w/beard (as Reefer would say) a more "substantial" looking Tommy "Hicko" Hickenbottom; standing behind/walking back in blue hooded sweatshirt is Terry "Fathead" Smith; standing in front of cop eating donut is Oceanside Surf Club President Mickey Ehrhardt; Sitting below Mickey in wetsuit is Larry "Bones" Dunham; behind me is a rather buffed looking George "Redo" Arris waxing up; two guys behind the cop eating donut with red hat/yellow shirt is a very well hung over Chuck "Reefer" Reed.

The question of the month is, what year was this photo taken?

June Dino:

- 1) Where is this? **Bay St./West Cliff Dr.**
- 2) Approx. what year is it? **1964**
- 3) Bonus Q: What is located across the street? **Old Sister's Hospital**
