★ President's Message ★

Fellow Members:

Happy Holidays! November marks the beginning of the most beautiful time of year, the holiday! Let's not all forget that Wind n Sea has an event the day after Thanksgiving, a true test of your relationship with your better half!

Last month, due to a glitch, the Club Merchandise was missing. Several Members asked about an extension on the t-shirt sale of \$10 per shirt. So we will attempt to do it again.

I have had several responses about Bocci's Cellar. 90% are in favor of staying. We are good until January. The new club leadership will decide after January.

Elections—everyone is running unopposed, so congratulations to all of our new board members!

On a health note from myself. I will have my sinus surgery on Monday November 23rd. It will be one calendar year of sickness. I am excited despite the discomfort after the surgery! Hopefully by Jan/Feb I'll be back to a normal life.

I will not say goodbye until the next newsletter. I have to admit I am a little sad after all these year of service on the board. However, I challenge you to attend our November meeting. All who attended in October had a wonderful time. That's what it is all about!

Keep Surfing, Pete Noble
