

# The SCLU "INDICATOR"

Santa Cruz Longboard Union - June 2014 Edition

## MESSAGE FROM "EL PRESIDENTE MICUDA"

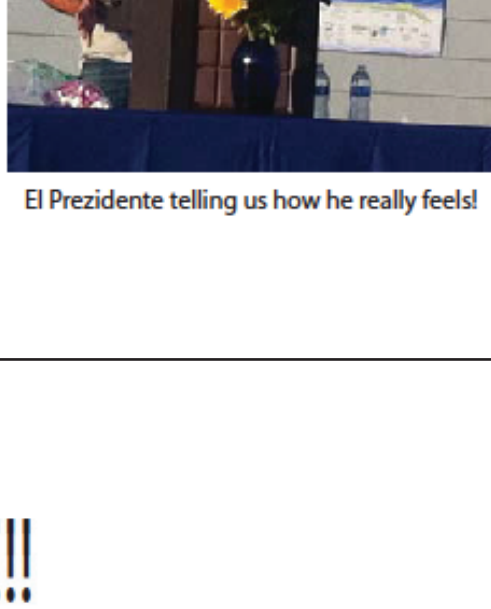

Well, We did it! SCLU Contest was a big hit!  
 I saw and heard nothing but good things about the contest, waves and dinner/party!  
 I'm very stoked on our volunteers this year.  
 We had an exceptional line up of 13 brand new surfboards up for grabs in the raffle. All for Jacobs Heart Cancer Care for Kids and Ride A Wave which takes disabled kids out in the ocean to ride a wave! All out of sheer volunteers working hard for a good cause. Giving back is so important in life.

I am looking forward in working with a great group of people for a good cause.

Yours Truly!

Matt Micuda SCLU Prez!
